

## **ECO+** The Modern Classic

### Bread Slicer

#### **Modern design to our tried and tested slicer**

Jac has designed a slicer which incorporates future safety features while keeping old school reliability

### Featuring

---

- Sound proof body - very quiet operation
- Rear safety cover to start the slicing cycle
- Large front, easily accessible crumb tray
- ISC System to regulate pressure on the bread pusher (optional)
- User friendly - ergonomic design
- 3 year parts warranty
- Standard slice size
- 11mm 7/16", 13mm 1/2", 16mm 5/8"
- Optional sizes ranging from 9mm 3/8" to 32mm - 1 1/4"

### ECO +

Our patented ISC System (optional) allows you to determine the pressure on the bread pusher.

Rear safety cover opens automatically. closing the cover starts the slicing cycle

Crumb tray is easily accessible from the front of the slicer. With its perfect height, the tray can be emptied quickly and easily

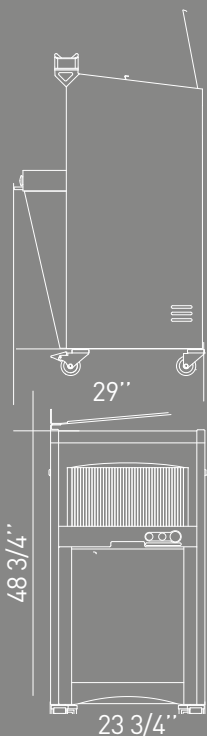

Side protection is designed to avoid any problems inside the bread placement housing.

As an option the ECO+ is fitted with a high-performance blowing system that opens bags placed on the side tray. The Eco+ has as optional high performance bag blowing system which saves both time and effort.

### DIMENSIONS
